- HOLD HARMLESS AGREEMENT -

The Castell interlocking system is provided to safeguard your employees and protect your equipment and property by permitting operation only in a predetermined sequence. Modifying any Castell products can expose your employees, equipment, and property to potential hazards. Castell cannot analyze or evaluate any on site lock modifications. Consequently, the interlocking system will no longer be considered safe and Castell will not offer warranty or product malfunction support.

Purchaser hereby agrees to defend, indemnify and hold harmless Castell Interlocks Inc., its officers, employees, agents and those in interest with it, against any and all claims, demands or suits, and all loss or damage to property, including loss of use thereof, or injury including death, sustained by any person arising out of use of any duplicate key provided hereunder.
